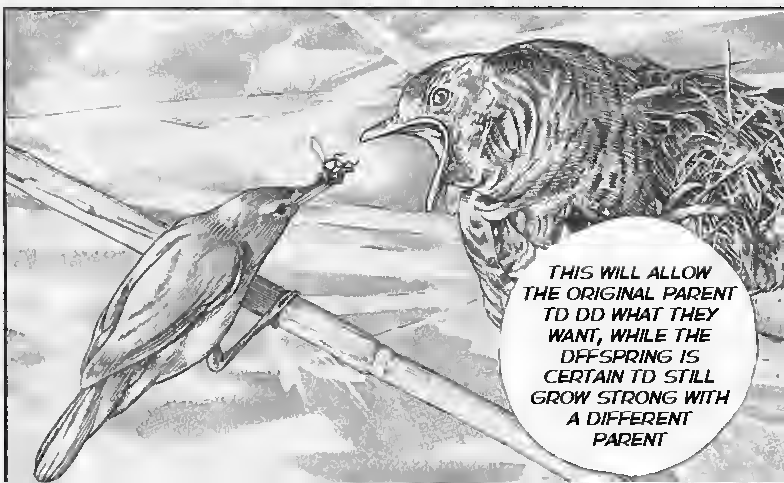
# 339th MATCH
## 托卵

KIICHI DEFEATED SONOU

NEITHER ONE OF THEM WOULD HAVE STOPPED FIGHTING EVEN AT THE BRINK OF DEATH
THEY PUT IT ALL ON THE LINE, AND THEIR BLOOD LINES MIGHT HAVE PLAYED A FACTOR
BUT IT FURTHER SOLIDIFIES KIICHI'S POSITION AS THE HEAD OF THE NADASHINKAGERYU
THIS IS TRULY UNEXPECTED

339th MATCH 托卵

WELL IT COULD BE SLIGHTLY DIFFERENT SINCE HE HAD NO IDEA THAT KIICHI WAS HIS SON..
IT SEEMS THAT WHAT HAPPENED HERE IS WHAT YOU CAN CALL BROOD PARASITISM
BUT BROOD PARASITISM IS WHEN BIRDS LEAVE THEIR EGGS IN A DIFFERENT NEST, TO BE RAISED BY OTHER BRIDS
BROOD PARASITISM ??



THIS WILL ALLOW THE ORIGINAL PARENT TO DO WHAT THEY WANT, WHILE THE OFFSPRING IS CERTAIN TO STILL GROW STRONG WITH A DIFFERENT PARENT

IT MUST FEEL PRETTY AWKWARD TO BE THE ONE IN THAT POSITION
KIICHI WILL ALWAYS BE MY SON, REGARDLESS OF WHAT BLOOD RUNS THROUGH HIS VEINS
JUST BECAUSE WE DON'T SHARE THE SAME BLOOD DOESN'T CHANGE A THING
爺
AND KIICHI HAS PROVEN HIMSELF A WORTHY HEIR MORE THAN ONCE
